

DO A GOOD DEED CONTEST

doagooddeed

Win a Computer!

We believe that many good deeds done everyday are going un-rewarded. We all know that negativity will not improve a situation, but complimenting or rewarding a job well done can actually spur future good deeds.

This contest is open to any youth 18 years old and under. Simply "DO A GOOD DEED" and tell us in a short essay what you did, why you chose to do it and what happened as a result.

Visit our website or call us to enroll!

Contest ends Nov 20th, 2011
